- Rear doors modified for freeze operation with rear pods fitted c/w centre seal
- Two LED lights will be fitted in roof, wired to door switches
- 2 x load track
- Kettle plug fitted to enable use of mattress style bulkhead
- GAH SR351F refrigeration unit with 1ph electric standby. (Temp Range -20 to +20)
- Seven Transcan temperature recorder
- Hope safe-T-bar
- Thermal curtains across the rear and side door apertures

## EMISSIONS

MPG Combined	31
CO2 Emissions	243G/KM

## WEIGHTS (KG)

Kerb Weight	2338
Gross Vehicle Mass	3500
Payload	900

## DIMENSIONS (MM)

Load Volume (M <sup>3</sup> )	10
AXLE Configuration	Rear Wheel Drive
Load Length	3105
Load Width (Wheel Arches)	1265
Load Width (Panel to Panel)	1590
Max Load Height	1715
Tyres	225/65R16
Wheelbase	4325
Overall Length of Vehicle	5932
Overall Height of Vehicle	2620
Overall Width of Vehicle	2345

Kerb weight and payload are inclusive of fluids, fuel and 75kg driver. All weights and measurements are subject to manufacturing tolerance. Payload must be confirmed with manufacture's brochure ref. EU directive 95/48/EC. Vehicle information provided by manufacturers/suppliers. Please note: load dimensions and payloads do not include any areas lost or weight gained through the addition of a conversion. These conversions dimensions can differ between manufacturers. Images shown are for illustration purposes only.
